

## New Additions to our Inventory!

Numismagram Newsletter #4 (IV/2018)

A special mid-month upload for us! Recently, we had the opportunity to acquire the balance of the Kyle Ponterio Collection of Music Medals. This collection features medals in varying sizes and compositions, commemorating some of the most famous and influential musicians in history. We hope that you enjoy this collection as much as we have, as it beautifully illustrates an interesting theme within medallic art.

A final reminder—the Second Annual Chicago Coin Expo is upon us, and begins later this week at the Palmer House in downtown Chicago. If you are planning to be in attendance, please stop by our table and check out our inventory. We will be set up all four days, beginning Wednesday (18 April) when Early Bird viewing opens at noon.

*You are receiving this message because you have expressed an interest in our material or have purchased from us in the past. If you wish to no longer receive these updates via email, simply reply that you would like to be removed and we will do so.*
